QUARTER TWO · 2026

FAITH. FAMILY. DIRT.

A quarter of serving others, growing the family, and moving more dirt than ever, told by the people and the work behind it.

CEO NOTE · FAITH · FAMILY · DIRT · CHAPLAIN · NEW LEADERSHIP · VAC TRUCK

01 A NOTE FROM OUR CEO

WELCOME TO THE FIRST EDITION OF FAITH. FAMILY. DIRT.

When we talked about putting this newsletter together, I thought it was a great idea. There is a lot happening across our company, and I wanted a way to share more than the work. I wanted to share the people who make it possible.

A few weeks ago, I had the privilege of watching my son, Tyler, receive the **Triangle Business Journal's 40 Under 40** award. As his dad, I couldn't have been prouder.

Not because of the award.

But because when he stepped up to the podium, he did exactly what I hoped he would. He gave the glory to God, thanked his family, and recognized the people of Marks before saying anything about himself.

As I sat there listening, I couldn't help but smile.

Faith. Family. Dirt. Those three things have always been the foundation of who we are. They aren't just words on the wall or a line on a T-shirt. They're the values that guide how we lead, how we treat people, and how we show up every day.

The truth is, that award belongs to far more than one person. It belongs to the crews out before daylight, the mechanics who keep us moving, the project managers who solve problems, and the office team holding it all together behind the scenes. Every person wearing a Marks shirt had a hand in that moment.

To our clients, trade partners, and friends: thank you for trusting our team. We know you have plenty of contractors to choose from, and we never take that trust for granted.

Thank you for being part of the journey.

The Marks family celebrating Tyler's Triangle Business Journal 40 Under 40 award

Faith. Family. Dirt.

02 SERVING OTHERS

FAITH

Faith is the first word we say for a reason. This quarter it took us 2,000 miles from the jobsite.

SEAMS MISSION · PANAMA

A LITTLE PIECE OF HOME, DELIVERED FAR FROM HOME

This spring, Team Marks proudly sponsored the **Seams Mission trip to Panama**. Beyond the sponsorship, our crews packed and sent **stuffed animals and sports gear** for the kids: comfort to hold onto and a reason to play.

It's the kind of work that never shows up on a schedule or a bid sheet, but it's the work that matters most to who we are. Serving others is faith in motion.

> "FAITH IS THE FIRST WORD FOR A REASON. IT'S THE FOUNDATION EVERYTHING ELSE IS BUILT ON."

03 FAITH IN ACTION · OUR CHAPLAIN

MORE THAN A WORKPLACE

The impact Chaplain Alberto has on Team Marks, one visit at a time.

Alberto serves as Marks' company chaplain. He regularly visits jobsites and spends time with our field crews and office staff, leads Bible studies, and creates opportunities for employees to grow in their faith.

He prays with employees and their families during difficult seasons and is always available when someone needs encouragement. He frequently brings breakfast or lunch to the jobsite or the office, using those visits to build relationships and check in on our people, not just during hard times but consistently throughout the year.

Since Alberto came on board, we keep hearing stories of employees returning to their faith, including one who recommitted their life to Jesus this quarter after spending time with him. It's a powerful reminder that his impact reaches far beyond the jobsite.

We build projects every day, but we're also investing in people. Alberto's ministry is a tangible example of our Faith. Family. Dirt. culture in action, and part of what makes ours different.

“MARKS IS MORE THAN A WORKPLACE. WE GENUINELY CARE ABOUT OUR PEOPLE, THEIR FAMILIES, AND THEIR SPIRITUAL WELL-BEING.”

FAMILY

The people who make Marks what it is, and a milestone worth celebrating.

CONGRATULATIONS

40 UNDER 40 TYLER MARKS

Congratulations to **Tyler Marks** on being named to the **Triangle Business Journal's 40 Under 40**. At the podium he gave the glory to God, thanked his family, and recognized the people of Marks first. That's recognition well earned, and a reflection of the whole team behind him. When one of us wins, the family wins.

WELCOME TO THE FAMILY

NEW LEADERSHIP

+8 THIS QUARTER

MORGAN BEAM
VP OF BUSINESS DEVELOPMENT

JUSTIN FANNING
VP OF COMMERCIAL ESTIMATING

JOHN DODD
VP OF COMMERCIAL OPERATIONS

MARK PERNELL
COMMERCIAL SUPERINTENDENT

05 THE WORK

DIRT

The quarter by the numbers and on the ground: self-performed, start to finish.

4 MI

OFF-SITE FORCE MAIN INSTALLED

ELLIOTT FARMS

700K CY

DIRT MOVING UNDERWAY

MERRITT RESERVE

MAGNOLIA & AVALON

Both communities progressing. Curb, stone, and asphalt complete in the early phases, crews attacking the rest.

ELLIOTT FARMS

312 new homes supported by nearly 4 miles of offsite force main infrastructure.

MERRITT RESERVE

700,000 CY of mass grading and earthwork underway and running on track.

STONECREST

New job with KB Home: 60 acres of clearing and grubbing, 360,000 CY of dirt, 200 CY of rock to crush, and 25,000 LF of pipe.

SAFETY FIRST

Trench Safety Week observed company-wide, plus on-site safety stand-downs across active jobs. Everybody goes home the same way they came to work.

MORE COMING

Several new jobs are on the board for Q3. The fleet stays busy.

EXPANDING OUR COMMERCIAL PORTFOLIO

PROLEC GE GT-400 EXPANSION · GOLDSBORO

Marks Clearing & Grading is proud to deliver the $7.23 million turnkey sitework package for the Prolec GE GT-400 Expansion in Goldsboro. The project includes 64,672 cubic yards of earthwork, 5,783 linear feet of underground utilities, 29,236 square yards of asphalt paving, and more than 81,000 square feet of heavy-duty concrete pavement. Complex industrial site development, delivered from the ground up.

FINISHED PROJECT SHOUTOUT · GATSBY STATION KB

06 SERVICE SPOTLIGHT · HYDRO EXCAVATION

DIG WITHOUT THE DAMAGE

Pressurized water breaks the ground. Industrial vacuum lifts it away. Utilities get exposed, not hit.

FEATURING JOSE IBAÑEZ

WHAT THE VAC TRUCK DOES

01 UTILITY LOCATING & POTHOLING
Visually verify depth and location before anyone digs.

02 INDUSTRIAL VACUUM SERVICES
Debris, slurry, and material removal at production pace.

03 SEWER & DRAIN JETTING
High-pressure flushing for lines, culverts, and storm systems.

04 PUMP STATION BYPASS
Keep flow moving through repairs and planned shutdowns.

05 CONSTRUCTION SITE SUPPORT
On-call vac support that keeps your crews productive.

24/7/364
EMERGENCY SERVICES · ALWAYS ON CALL
